EDUCATION

Tribhuvan University, Institute of Engineering, Thapathali Campus
Bachelors in Architecture, *GPA*: **71.97 % or 3.759 GPA** May *2025*

ACADEMIC PROJECTS

Farming Retreat Center | *Thesis Project*

- Designed a nature integrated retreat center promoting sustainable tourism and wellness through organic farming, community spaces, and experiential learning.

Redesigning Stretch of New Road, Nepal| *Urban Design Project*

- Proposed urban design interventions to enhance pedestrian experience, manage traffic flow, and preserve the cultural identity of one of Kathmandu's busiest commercial streets.

Sainbu Land Pooling Housing Project| Housing Studio

- Designed housing units and communities with 15 min concept and studied user needs

Design Projects| *Design Studio*

- Worked in number of projects like residential design, school design, commercial complexes, industries, etc.

RESEARCH EXPERIENCE

Study of Settlement Patterns Among Tharu Communities | Ongoing

- Created site maps, diagrams, and sketches to represent spatial arrangements and circulation within the settlements
- Recorded observations, field notes, and insights into a structured written report

A Comparative Study of Two Kathmandu Neighborhoods Through A 15-Minute-City Lens | Ongoing

- Collected data on accessibility, mobility, land use, and social patterns within both neighborhoods.
- Used mapping tools to visualize distances, amenities, and connectivity

Land Use Planning and Daily Needs Accessibility: A Comparative Study of Pepsi-Cola and Thimi | Ongoing

- Conducted field surveys and site visits to document land use patterns, amenities, and daily needs accessibility within both neighborhoods.

PROFESSIONAL EXPERIENCE

Impulse Consultant Pvt. Ltd. | *Architect, Kathmandu* *June 2025-Present*

- Assisted in preparing **municipal drawings**, **3D models**, and presentations for government projects.
- Participated in **site visits** and design reviews focused on sustainable development.

Morphogenesis Consultant Pvt. Ltd | *Intern Architect, Kathmandu* *April 2023- September 2023*

- Developed **conceptual design** options for **residential layouts**, incorporating client requirements, site orientation, and climatic factors.
- Interacted with clients and government officers during project discussions, gaining valuable experience in construction **techniques**.

AWARDS AND ACHIEVEMENTS

IOE merit-based full scholarship | Ranked in the top 5% in architecture in the IOE entrance exam *November 2019*

- Bachelors of Architecture at the Institute of Engineering, Tribhuvan University
- Received **grant** in each semester

Cities for Women (International Urban Design Competition) | *September 2025*

- **Winner** |Public Open Spaces, Nepal | Co-funded by European Union and USAID, Implemented by UNOPS

ARCASIA Students' Architectural Design Competition 2023 | *August 2023*

- Participation | Future-Ready Community Responding to the Most Challenging Social Condition.

VOLUNTEERS AND LEADERSHIP

019-Batch Representative | Bachelor of Architecture *November 2019-April 2025*

- Represented the Architecture batch 2019, serving as a **mediator** between students and faculty.
- Coordinated academic and extracurricular activities, and addressed student concerns.

Thapathali National Level Engineering Exhibition Cum Fest | Event Manager *January 2023- January 2024*

- Assisted in securing sponsors and managing event logistics in **UTSARGA 079 and Yathartha 2080**
- Collaborated with team members to manage attendee engagement and ensure smooth event operations.

SESS - Syangja Engineering Students' Society | Graphics Head *June 2021*

- Organized and managed a **talk show** focusing on promoting women in engineering
- Organized and managed an inter-college **chess tournament**

TEACHING AND MENTORING EXPERIENCE

AutoCAD and Sketchup Workshop| *Smart Engineering and Design solutions* *June 2025*

- Assisted in preparing **municipal drawings**, **3D models**, and presentations for government projects.

SKILLS

Technical Skills: | Revit | AutoCAD |Sketchup|ArcGIS (Spatial Analytics) | depthmapX (Space Syntax/VGA) | Adobe Creative Suite | Microsoft

Soft Skills: Leadership, Team coordination, Event management

Language: Nepali (Fluent) |English (Proficient) |Hindi (Proficient)

PROFESSIONAL AFFILIATIONS

Licensed Architect | Nepal Engineering Council
